Education

Year	Institution & Degree
2022 – Present	B.Tech (CSE), Aditya College of Engineering and Technology (CGPA: 7.32)
2022	Class 12th, Aditya Junior College

Skills

Category	Skills
Core	Data Structures, Algorithms, OOP, DBMS
Languages	C, Java, Python
Front-End	HTML5, CSS3, JavaScript
Databases	MySQL
Tools	Git, GitHub, JDBC APIs
Frameworks	Spring Boot

Projects

Project	Details
My Portfolio	<ul style="list-style-type: none">Developed a responsive portfolio website ensuring compatibility across various screen sizes and devices.Created an interactive platform where users can download my resume, view projects & explore earned certifications.HTML5, CSS3, JavaScript Source
Bank Management System	<ul style="list-style-type: none">Developed a Bank Management System using Java and JDBC, enabling efficient management of customer accounts and transactions.Implemented core banking functionalities, including account creation, deposits, withdrawals, balance inquiries, and transaction history, ensuring data integrity.Integrated SQL database to store and manage user data securely, optimizing query performance for seamless banking operations.Designed a robust backend architecture, ensuring secure data transactions and efficient communication between Java applications and the database.Technologies Used: Java, JDBC, SQL. Source
Pizza Delivery App	<ul style="list-style-type: none">Built a Pizza Ordering Website with an intuitive interface, enabling users to customize and place orders easily.Implemented a responsive design to ensure smooth functionality across desktops, tablets, and mobile devices.Developed interactive elements like dynamic cart updates, order tracking, and real-time price calculations using JavaScrip.Technologies Used: HTML, CSS, JavaScript. Source

Internships

Role	Company	Duration
Java Developer Intern	SkillCraft Technology	1-March 2025 – 31-March 2025
Machine Learning Intern	SkillDzire	June 2024 – August 2024

Competency

LeetCode: 200+ problems solved, Max Rating: 1667 Profile
HackerRank: 5-Star in DSA, C, Java Profile

Certifications

Certification	Platform
Java Programming	Infosys SpringBoard
Machine Learning	SkillDzire
